## **A Rare George II Period Carved Mahogany Card Table**

REF985

English, circa 1750

Height: 28 in (71 cm)

Width: 36 in (91 cm)

Depth: 17 ½ in (44.5 cm)

The top veneered in finely figured and carved mahogany and edged with a flower and dart moulding. The frieze with blind fret work with carved flowers and a drawer on the right hand side. Finished with rope twist astragal. The legs similarly finely carved with acanthus leaves and an incised diaper design.

---

## DESCRIPTION

This exceptional table is a rare survival. The top is veneered with outstanding figuration and retains a glorious colour and patination. The quality and detailing of the blind fretwork is second to none and the fact that it has survived in such an untouched state is remarkable.
